

## FIXÉCLEAN · Client Brochure

Cleaning services + supply management for Canadian offices

# Clean the office. Stock the office. Keep the office client-ready.

FIXÉCLEAN is a Calgary full facility services brand. We handle recurring office cleaning and supply management so your workplace stays clean, stocked, and ready for staff and customers.

### What we do

Office cleaning

Washroom cleaning

Trash removal

Floor care

Supply restocking

We also supply the everyday items offices use all the time: paper towel, tissue, hand soap, garbage bags, bin liners, disinfectants, and cleaning chemicals.

### Billing model

Cleaning services and supply orders are billed separately.

If supplies run low, FIXÉCLEAN sends a new quotation for approval before restocking. After approval, the products are delivered and issued on a separate receipt or invoice.

### 1) Service

Recurring cleaning visits that keep the workplace looking professional.

### 2) Supplies

Consumables and cleaning products restocked as needed.

### 3) Separate billing

Clean invoices and supply invoices stay separate for clarity.
